Parent Participation

RHAA is a volunteer, non-profit organization. We need parents and others to help with the multitude of tasks that must be covered in order for our kids to be able to have a great experience. In addition, we need to raise additional funds. Registration fees cover many of the expenses of the association, but not all. If everyone does something, no one will have to do everything! Please mark areas in which you would be willing to help.

Sports Physical

The RHAA Board requires a parent to certify their child's medical and physical preparedness to participate. Please check one of the following:

- A signed letter from your child's physician stating that they are medically clear to participate is attached
- Complete the following for your child:

I, _____, parent of _____, affirm that my child is medically and physically capable to participate in the RHAA Athletics Program for the 2018-19 season. I affirm that this statement is true and accurate to the best of my belief.

Statement of Eligibility

We ask that a parent read & sign the following eligibility statements. Students must meet all three eligibility requirements to be able to play. Check all that apply to the registered student, and then sign and date.

1. My son/daughter was 18 years of age or younger on August 31, 2018
2. My son/daughter lives at home under my authority.
3. My son/daughter is homeschooled (not enrolled fulltime in either public school or a private school)

Since my child meets each one of these eligibility guidelines, they are eligible to compete in RHAA sports for the 2018 - 2019 season.

RHAA Competitive Team Awareness

I understand that RHAA varsity level teams are competitive in nature. Team members will receive equal practice time, but not necessarily equal game playing time.
